[S Verma](#)

[Optical burst switching: a viable solution for terabit IP backbone - all 6 versions »](#)

S Verma, H Chaskar, R Ravikanth - Network, IEEE, 2000 - [ieeexplore.ieee.org](#)

... some reservation already acquired by the control packet of low priority data burst ...

A functional diagram of an optical cross-connect sup- porting OBS and using ...

[Cited by 183](#) - [Related Articles](#) - [Web Search](#) - [Import into BibTeX](#)

[Performance of Processor-Memory Interconnections for Multiprocessors - all 5 versions »](#)

NK Tsao, C Shanghai - IEEE TRANSACTIONS ON COMPUTERS, 1981 -

[doi.ieeecomputersociety.org](#)

... The delta networks and full cross- bars are analyzed with ... In fact, considering the current low ... If the source A requires to connect to destination (d2d1d0)2 ...

[Cited by 364](#) - [Related Articles](#) - [Web Search](#) - [Import into BibTeX](#)

[Alarm correlation - all 2 versions »](#)

G Jakobson, M Weissman - Network, IEEE, 1993 - [ieeexplore.ieee.org](#)

... Suppression: inhibiting a low-priority alarm in ... Spe- cific digital crossconnect products, such as AT&T's ... nodes of the superclass digital-cross-connect-class. ...

[Cited by 175](#) - [Related Articles](#) - [Web Search](#) - [Import into BibTeX](#)

[A framework for optical burst switching network design - all 13 versions »](#)

JZ White, MH Le Vu - Communications Letters, IEEE, 2002 - [ieeexplore.ieee.org](#)

... does not need to be buffered or processed at the cross-connect, so that the ... used the forward recurrence time of the transmission time of low priority bursts to ...

[Cited by 34](#) - [Related Articles](#) - [Web Search](#) - [Import into BibTeX](#)

[New directions in communications \(or which way to the information age?\) - all 3 versions »](#)

JS Turner - Communications Magazine, IEEE, 2002 - [ieeexplore.ieee.org](#)

... of FPS is the recognition that the high speed and low error rate of ... The cross connect (XCON) is a special-purpose space division switching element that allows ...

[Cited by 424](#) - [Related Articles](#) - [Web Search](#) - [Import into BibTeX](#)

[Design of a broadcast packet switching network - all 5 versions »](#)

JS Turner - Communications, IEEE Transactions on, 1988 - [ieeexplore.ieee.org](#)

... a frame belonging to a connection. It also has a subfield containing a user-specified priority. The network preferen- tially discards low-priority frames when ...

[Cited by 173](#) - [Related Articles](#) - [Web Search](#) - [Import into BibTeX](#) - [Library Search](#)

[Survivability in optical networks - all 3 versions »](#)

D Zhou, S Subramaniam - Network, IEEE, 2000 - [ieeexplore.ieee.org](#)

... Low-priority traffic ... In SONET networks, intelligent digital cross-connect sys- tems(DCSs) and controllers are used as the main components to realize dynamic ...

[Cited by 123](#) - [Related Articles](#) - [Web Search](#) - [Import into BibTeX](#)

[... network design to dynamic provisioning and restoration inoptical cross-connect mesh networks: an ... - all 5 versions »](#)

S Sengupta, R Ramamurthy - Network, IEEE, 2001 - [ieeexplore.ieee.org](#)

... the issues involved in architecting an optical cross-connect mesh network, starting from ... backup ,bath may he nsed,fiw canying low-priority trffice which must ...

[Cited by 49](#) - [Related Articles](#) - [Web Search](#) - [Import into BibTeX](#)

[Building reliable MPLS networks using a path protection mechanism](#) - [all 6 versions »](#)

C Huang, V Sharma, K Owens, S Makam - Communications Magazine, IEEE, 2002 - [ieeexplore.ieee.org](#)

... paths will fail at the same time is very low. ... By mapping the inverse cross- connect table to a label ... the information available in the inverse crossconnect table ...

[Cited by 89](#) - [Related Articles](#) - [Web Search](#) - [Import into BibTeX](#)

[On joint protection/restoration in IP-centric DWDM based opticaltransport networks](#) - [all 3 versions »](#)

Y Ye, S Dixit, M Ali - Communications Magazine, IEEE, 2000 - [ieeexplore.ieee.org](#)

... and they may be used by low priority traffic if ... based protection is its very low network utilization. ... s applications primarily involve cross-connect-based mesh ...
